

Building a better working world

What if your dream could become reality?

The exceptional EY experience. It's yours to build.

The better the question. The better the answer.
The better the world works.

Working student Healthcare - Transaction Strategy and Execution (w/m/d) - 159281

Infos und Bewerbung über Alumnus Moritz Reinsch:
Moritz.Reinsch@parthenon.ey.com oder <https://www.linkedin.com/in/moritz-reinsch/>

Hamburg, Stuttgart, Dusseldorf or Munich

Working together to navigate complexity by helping our clients to reimagine their ecosystems, reshape their portfolios and reinvent themselves for a better tomorrow: that's our goal at EY-Parthenon, together with our 6,500 colleagues across 60 countries around the world. We lead our clients into the future through our innovative services in the areas of Corporate and Growth Strategy, Turnaround and Restructuring Strategy, and Transaction Strategy and Execution. In our Transaction Strategy and Execution department, you will be advising on the full potential of portfolio investments and, together with our clients, making sound strategic decisions. If you're looking to develop your individual skills whilst working in interdisciplinary and multicultural teams, then join us! At EY-Parthenon, we provide the opportunities to "build a strategy career unique to you."

What you can expect – enriching experiences that will last a lifetime

As a member of our Healthcare - Transaction Strategy and Execution Teams in Hamburg, Stuttgart, Dusseldorf or Munich you will take on a wide variety of tasks:

- ▶ Participation in demanding digitization and restructuring projects in the healthcare sector
- ▶ Accompanying the topics of digital transformation, organizational optimization and strategy development
- ▶ Assistance in advising hospitals and health insurance companies
- ▶ Independent processing of task packages in the area of analysis, research and conception

What you can contribute – skills for shaping the future

- ▶ Pursuit of a Master's degree preferably in the field of health sciences, economics or business informatics
- ▶ Analytical and digital skills as well as precise working methods
- ▶ Flexibility and open-mindedness towards new and varied challenges
- ▶ Excellent communication skills in German and English
- ▶ Dedicated team player with a high sense of responsibility

What we are offering – an inspiring work environment

- ▶ Development of a career network after completing your internship by joining the EY Talent Community and our intern incentive program
- ▶ First-class career opportunities through individual support, strong global EY network and demanding project work utilizing pioneering technology
- ▶ Modern workstations, use of state-of-the-art technology and a well-developed IT infrastructure
